Expression of Interest (EOI) to act as Consultant in Travancore Sugars & Chemicals Limited (TSCL)**Introduction**

Travancore Sugars & Chemicals Ltd (TSCL), established in 1937 and taken over by the Government of Kerala in 1974, has undergone significant transformation. While the company previously operated a Sugar and Distillery Division, these were closed due to raw material scarcity and regulatory concerns. Following revival measures, TSCL now operates a fully functional 6-line IMFL bottling plant with a production capacity of 15,000 cases per day.

Objective

TSCL is inviting expressions of interest from experienced professionals and firms to act as a consultant for a period of 1 year ie:- 01/04/2025 to 31/03/2026 to provide expertise in enhancing the operational efficiency of the company. The selected consultant will assist in optimizing the production processes, improving quality control, streamlining supply chain management, and ensuring compliance with applicable regulations.

Eligibility Criteria

To be eligible for consideration, the consultant must meet the following criteria:

1. Minimum 10 years of experience in distillery or liquor business
2. Hands-on experience with at least one private company involved in manufacture of liquor.
3. The consultant must provide relevant experience certificates or supporting documents to validate the above criteria.

Scope of Work:

The scope of work though not exhaustive includes the following:

1. Advise the company on the productions, operations viz focusing on streamlining the manufacturing process, improving quality control, enhancing liquor production efficiency and reducing wastages.
2. Improve the supply chain management of the Company by optimizing the procurement, logistics and distribution network.
3. Align the operations of the company with the sales strategy to meet the market

- demands effectively.
4. Ensure adherence to Government regulations, Excise laws, licensing norms and other compliance requirement in the liquor industry.
 5. Identify and implement process / operational improvements, modern production techniques and technological advancements to drive efficiency.
 6. Conduct staff training programs to improve operational efficiency and adherence to best practices.

The EOI must reach the Company on or before 28/02/2025 along with the fees to be charged per annum.
